

OVERVIEW

Since 1992, Eastridge InfoTech has set the standard for excellence in recruiting for the information technology industry. As a specialty division of The Eastridge Group of Staffing Companies, Eastridge InfoTech builds on more than 36 years of staffing industry expertise. With a proven track record of success placing the finest IT talent, Eastridge InfoTech has built a reputation for making matches that last.

A proactive sourcing approach and extensive referral network means Eastridge InfoTech's pool of IT talent is always growing. Plus, a sophisticated system for managing the proprietary candidate database allows Eastridge InfoTech to quickly pinpoint candidates with the specific skills and experience needed to make an immediate contribution, and who fit the culture and standards of each client.

SERVICES

Eastridge InfoTech specializes in recruitment of technology professionals with a wide range of skill sets in management, development, systems and support. Clients experience a full-service partner with a flexible business model. Through true partnerships with clients, Eastridge InfoTech is able to customize solutions to meet varied requirements. Services include search and placement, consulting, contract-to-hire, volume placement, retained search, recruitment process outsourcing and exclusive on-site recruitment management.
